Call-In Number: (b) (6)

This Friday's agenda will include: (1) updates from each agency; (2) discussion of the attached draft papers; (3) final check of the e-mail list for our Friday calls; and (4) any other business.

Please review and send me edits/comments on the attached draft papers in track changes by 2 p.m. Eastern on Thursday, January 14, and cc: my colleague Paul Heberling ((b) (6)). In particular, please check the cover memo's addressee list and cc: list, send any changes, and provide e-mail addresses for every addressee and cc: on the cover memo. Also check the attached e-mail list which we use for our Friday calls and send me any changes for your agency. Finally, include any suggestions for additional or reorganized papers in your cover e-mail.

So far, I have received BLM edits/comments from Tim Shannon--many thanks. If anyone else has sent comments to CEQ that I may have missed, kindly re-send them.

Thank you in advance. I look forward to speaking with you on Friday, and let me know if you have any questions before then.

Importance: High

Good afternoon,

I'd be remiss if I didn't begin by expressing my heartfelt appreciation for your support and hard work on this, and innumerable other matters, over the past several years. This email provides the papers we discussed as well as some logistics and next steps.

The papers: please review and provide edits/comments in track changes to (b) (6)

by January 13th. She will be carrying this forward and bringing my successor, as yet TBD (thank you HR and security clearance processes), up to date. The papers are:

- Cover memo: please review the address list (and please provide email addresses) as well as the substance of the synopsis provided;
- Attachment 1;
- Attachment 2;
- Attachment 2; and
- Attachment 4;

Please keep in mind that the cover memo should provide a concise and accurate synopsis with more detailed information in the attachments - any suggestions on additional or reorganized papers should be provided in the cover email.

The players: The participants of the past every-other-week calls are in the attached Rosemont email list. Please provide Kerry Rodgers and Paul Heberling with any final revisions/additions by January 11th so that she can send out the invite with call-in information. The calls will resume on January 15th to discuss the status of the papers as well as an update on the various reviews and timelines. Kerry Rodgers will send out the invitation for the calls on

or about January 12.

We hope that you and yours have a healthy, safe, and restful holiday season and coming year.

Sincerely, Horst

Subject: Rosemont Mine Call Tomorrow - Friday, January 29, 3 p.m. Eastern
Date: Thursday, January 28, 2016 10:42:28 AM

Good afternoon,

We will hold our Rosemont Mine call this Friday, January 29, at 3 p.m. Eastern to share agency updates and check in on next steps. Please use the following call-in number and passcode.

Call-In Number: (b) (6)

Many thanks to all of you who have provided comments on the draft Information Papers and other information following our January 15 call. We at the Council on Environmental Quality are working to revise the papers, but we are still awaiting some input and likely will not circulate revised versions before tomorrow's call. This e-mail distribution includes the updates we have received; as always, please send any further changes.

I look forward to speaking with you all tomorrow. Please let me know if you have any questions before then.

Best,
Kerry

Kerry E. Rodgers
Deputy Associate Director for NEPA Oversight
Council on Environmental Quality
